

Fresh Till Cowl

By Rebecca Fox

When it comes to small projects that are simple, but interesting, our Rebecca wins a blue ribbon. Her inspiration is usually related to some outrageous incident in her childhood. Rebecca's older sister, loved animals and today owns a farm with her husband in Minnesota. The life of a farmer can be tough and as a child, Rebecca, has distinct memories of her sister and brother-in-law fighting with the tiller to get perfect fields. Rebecca's Fresh Till Cowl is reminiscent of these freshly tilled garden rows. The round table knitters have been obsessed with this easy to memorize, perfect for summer project.
